Chagrin Valley Country Club

Sponsored by:

NOGA Charities & Foundation

To undertake the enormous golf challenges before us and maintain the many NOGA Charities & Foundation programs requires support from our membership.

RETURN TO GOLF

There are approximately 3 million people in northeast Ohio with some sort of disability. In 2008, *Return to Golf* participants played more than 900 rounds of golf at the North Olmsted Golf Club along with 1,754 visitations to NOGA facilities.

Thanks to the efforts of the Cleveland Clinic and NOGA Charities & Foundation, golfers who never thought they would be able to play the game they once loved are now getting another chance to tee it up.

GOLFERS WITH DISABILITIES

In 2008, the following agencies used the NOGA Charities & Foundation facilities 44 days with more than 450 participants.

Cleveland Sight Center • Veterans Hospital
Youth Challenge • Special Olympics
Hanson House (Traumatic Brain Injury)

JUNIOR GOLF

Promoting the game of golf along with preserving its traditions and integrity should begin with the future of the game. The NOGA Charities & Foundation junior golf program promotes the game to more than 100 juniors over a five-week period. Juniors receive instruction on swing fundamentals, the Rules of Golf and course etiquette.

TURFGRASS RESEARCH

A joint venture of The Ohio State University, Northern Ohio Golf Course Superintendents Association and NOGA was formed to conduct various turfgrass research projects

For more information on these and other programs, please visit www.noga.org

Tournament Format

The format for the day is two best balls of four with full handicaps. Each foursome will compete for team prizes. Participants may register as a group or as an individual. Prizes will be awarded for top finishers and on par 3's for proximities and a hole-in-one.
